Dr. Leena Lakhani

Dr. Leena Lakhani, Professor of Zoology, Govt. Girls P.G. College, Ujjain, started her journey from B.Sc. followed by M. Sc. from Govt. P.G. College, Dhar. After M.Sc. she joined as an assistant professor in Govt. P.G. College, Dhar in 1978. She was awarded M. Phil in fish endocrinology by Vikram University, Ujjain. She was later awarded a Ph.D. degree by the same university. Her Ph.D. research work was on the toxicological effects of insecticides on the neuro-endocrine system and reproductive organs of earthworm *Eudichogaster kinneari*. She has to her credit 35 publications in journals of national and international repute and has presented 83 research papers to date. She has successfully completed a research project funded by UGC. In the past two years, she has convened and organized two seminars on Crystallography and socio-environmental issues. She has also organized a workshop on Molecular Biological Techniques.

Dr. Lakhani is a fellow member of various scientific and professional societies, including the International journal of Researches in Biosciences, Agriculture and Technology; Action for Sustainable, Efficacious Development and Awareness (ASEA); and the International Council for Health and Environment. She was a board member of School of studies in Zoology, Vikram University, Ujjain. She also was a part of the examination committee for Vikram University. She has been active in the scientific community and has dedicated her entire life to academics, research and social service.
