## Mr. Rajesh Kumar Meena

Mr. Rajesh Kumar Meena, Research scholar, of Department of Pure & Applied Chemistry, University of Kota, Kota, Rajasthan. He started his journey with M.Sc. from Department of Chemistry, Rajasthan University, Jaipur, Rajasthan, during 2009-2011. After M.sc he joined as a research scholar of Department of Pure Applied Chemistry University of Kota, Kota, Rajasthan, from 2013. He has been involved in nanotechnology research area including Nanomolecular devices, Hydrogen and Oxygen generation via Water splitting, Quantum dots, plasmonic materials, graphene based materials as photocatalyst.

He has a total of 14 publications, published in NAAS rated and peer reviewed National and International Journals, 44 abstracts published in souvenirs of National and International seminars and conferences. He has published 5 books chapter's in international and national books. He also presented their research work in national and international (Bhutan) level that time own the credit of receiving best paper presentation Dr. S. K. Banerjee Memorial Award in UGC-Sponsored National Conference on Modern Trends in Chemical Sciences Organized by Department of Chemistry, Faculty of Science, Mohan Lal Sukhadia University, Udaipur, Rajasthan 30<sup>th</sup>-31<sup>st</sup> January 2016 and Indian Chemical Society Young Scientist Award 2016 in 92nd Annual Indian Chemical Society organized by Department of Chemistry, Institute of Science, GITAM University, Visakhapatnam, Andhra Pradesh during 27-29 2016, Best Poster Presentation Award during International Conference on Recent Trends in Chemical Sciences (ICRCS-2017) Organized by Department of Chemistry, Govt. Engineering College Bikaner, Rajasthan, India Jan 12-13, 2017 and Best Poster Presentation Appreciation award during National Symposium Global Environmental Challenges: Present Scenario (GECPS-2017) Organized by Department of Botany, University of Rajasthan, Jaipur, India 21<sup>st</sup> Jan 2017 and he also presented their research work in 7<sup>th</sup> Virtual Nanotechnology Poster Conference "NANOPOSTER 2017" organised by The International Nanoscience Community, Budapest, Hungary, during 22-28 May 2017.

Mr. Meena also selected as a Campus Ambassador of University of Kota in "APOGEE 2015, 2017 as well as 2018" The Annual Technical Festival of Bits Pilani Organized by Birla Institute of Technology & Science, Pilani, Rajasthan, India.

Mr. Meena has been an active member of various scientific and professional societies like as a Indian Chemical Society (ICS), International Science Community Association (ISCA), Indian society of technical Education (ISTE), Indian Science Congress Association and as well as reviewer of Material Science Research India (MSRI), IJERT, Science PG Publication and editorial board member of AR Research Publication & Conference World.

Mr. Rajesh Kumar Meena

Fellow- FC-610

Research Scholar (CSIR-NET)  
Department of Pure & Applied Chemistry,  
University of Kota,  
Kota, Rajasthan, India
