

## ***EDITORIAL FROM EDITOR-IN-CHIEF***

I am pleased to inform you that **International Science Congress Association** has been established to reveal your valuable research to the scientific world. **Research Journal of Recent Sciences** is beginning its journey of publication with this first online issue.

With the advent of 2012, a new chapter in the form of Research Journal of Recent Sciences has been introduced. It is the only journal in the world which publishes research papers, review papers, review articles, technical reports and short commutations in all aspects of science such as Agriculture and Forestry Sciences, Animal, Veterinary and Fishery Sciences, Biological Sciences, Chemical Sciences, Computer and Information Technology Sciences, Earth Sciences, Engineering Sciences (Civil, Cybernetics Electrical, Electronics, Mechanical, Textile, etc), Environmental Sciences, Forensic Sciences, Home Sciences, Library Sciences, Material Sciences Mathematical and Statistical Sciences, Medical Sciences, Military Sciences, Pharmaceutical Sciences, Physical Sciences, Physical Education Sciences, Educational Sciences: For School Students, Women, Village and Society, Commerce, Law and Management related with Sciences, Anthropological and Behavioral Sciences: Sociology, Social Sciences: Researches in the field of Economics, Political Science, Geography, Drawing, Music, Dance, Philosophy, History and Languages concerning with science, Journalism and Role of Media in science, Role of NGOs in the protection of environment.

The objective is to cover all aspects of sciences including those areas which remained untouched till now. The field of science is flourishing with an abundance of fresh exciting discoveries and researches that continue to spur the development of powerful new techniques and expand creative scientific investigation.

Evaluating sciences is probably best done even today by reading. Authors must write and leaders must read without self-consciously worrying about the statics of journal. With this hope, I wish all my authors and readers a very warm new year. Hope we will have a long lasting bonding through Research Journal of Recent Sciences.
